The major concern of the Student Council this year has been the re-evaluation of itself, taking into consideration its effectiveness and representation of the student body. Mr. Herbert, Mr. Godin, and Mr. Ladeau have proven themselves invaluable in this area.

Under the leadership of Jackie Snelling, the Student Organization was initiated, with Miss Urie as the faculty advisor. The "S.O." is a group of students interested in promoting better school spirit and instilling student responsibility. Although it was originated in the Council, the S.O. is in no way a part of the Council.

The officers of the Council are: Barb Lawrence, President; Rick Schneider, Vice President; Barb McClure, Secretary; and Dave Jacobs, Treasurer. Elected in April, Mark Hunziker will be next year's president.

The Council also elected four members, including Mark, to attend the Summer Workshop in August. Those chosen were Ann Hunziker, Karen Lee, and Giovana Morselli. Barb McClure will automatically attend as a state officer. Prior to the Workshop, Barb will attend the National Convention of Student Councils in Tacoma, Washington.

# Student Council

The Student Council initiated a new tradition at SBHS—a Winter Carnival. It began on a Saturday morning with a hockey game between the Ruff Ryders and Varsity Club recruits. After the game Warren Miller ski films were shown and the Carnival was successfully terminated that night with skiing under lights at the Underhill Ski Bowl.

V.A.S.C. Convention

Ten members of the Student Council attended the Vermont Association of Student Council's fourteenth annual convention in Bennington. The theme was Not "Why?" but "Why Not?" Barb McClure was elected to the office of corresponding secretary. Pictured at left are the incoming officers backed up by last year's officers.

# Key Club

Under President Doug Varney the Key Club enjoyed a very successful year. Among its fund raising activities were the sale of toothbrushes for Dollars for Scholars, the sale of programs at basketball games, a car wash, a Christmas tree sale and a concession stand at football games.

The Key Club also participated in many service projects both at the school and in the community. A "College Night" was held during which South Burlington graduates discussed college and colleges with those headed in the same direction. Key Club members served as waiters at all athletic banquets and also as ushers at school plays. The fact that Key Clubbers officiated at home track meets helped make this the most successful track season ever at S.B.H.S.

Some of the more tangible evidence of the Key Club's efforts appeared in the form of the hockey rink and the benches which now appear in the school lobby. Mr. Starr is the club advisor and Mark Hunziker is the President for the forthcoming year.

The Debate Club this year was faced with cultivating prospective members for the team, since all of last year's Varsity members graduated. The team has competed in eighty-two round robin competitions in and out of state, and it placed fourth among thirteen schools competing for the state title in the final debate of the season at U.V.M.

Members of the Varsity team are: Barb Tatler, Larry Hills, Helena Kulski, and Leslie Davis. JV debaters are: Joyce Chittenden, Mike Canavan, Martha Dienst, and Carol Haigis.

Barb Tatler is President of the club, with Larry Hills, Vice President; Helena Kulski, Secretary; and Leslie Davis, Treasurer.

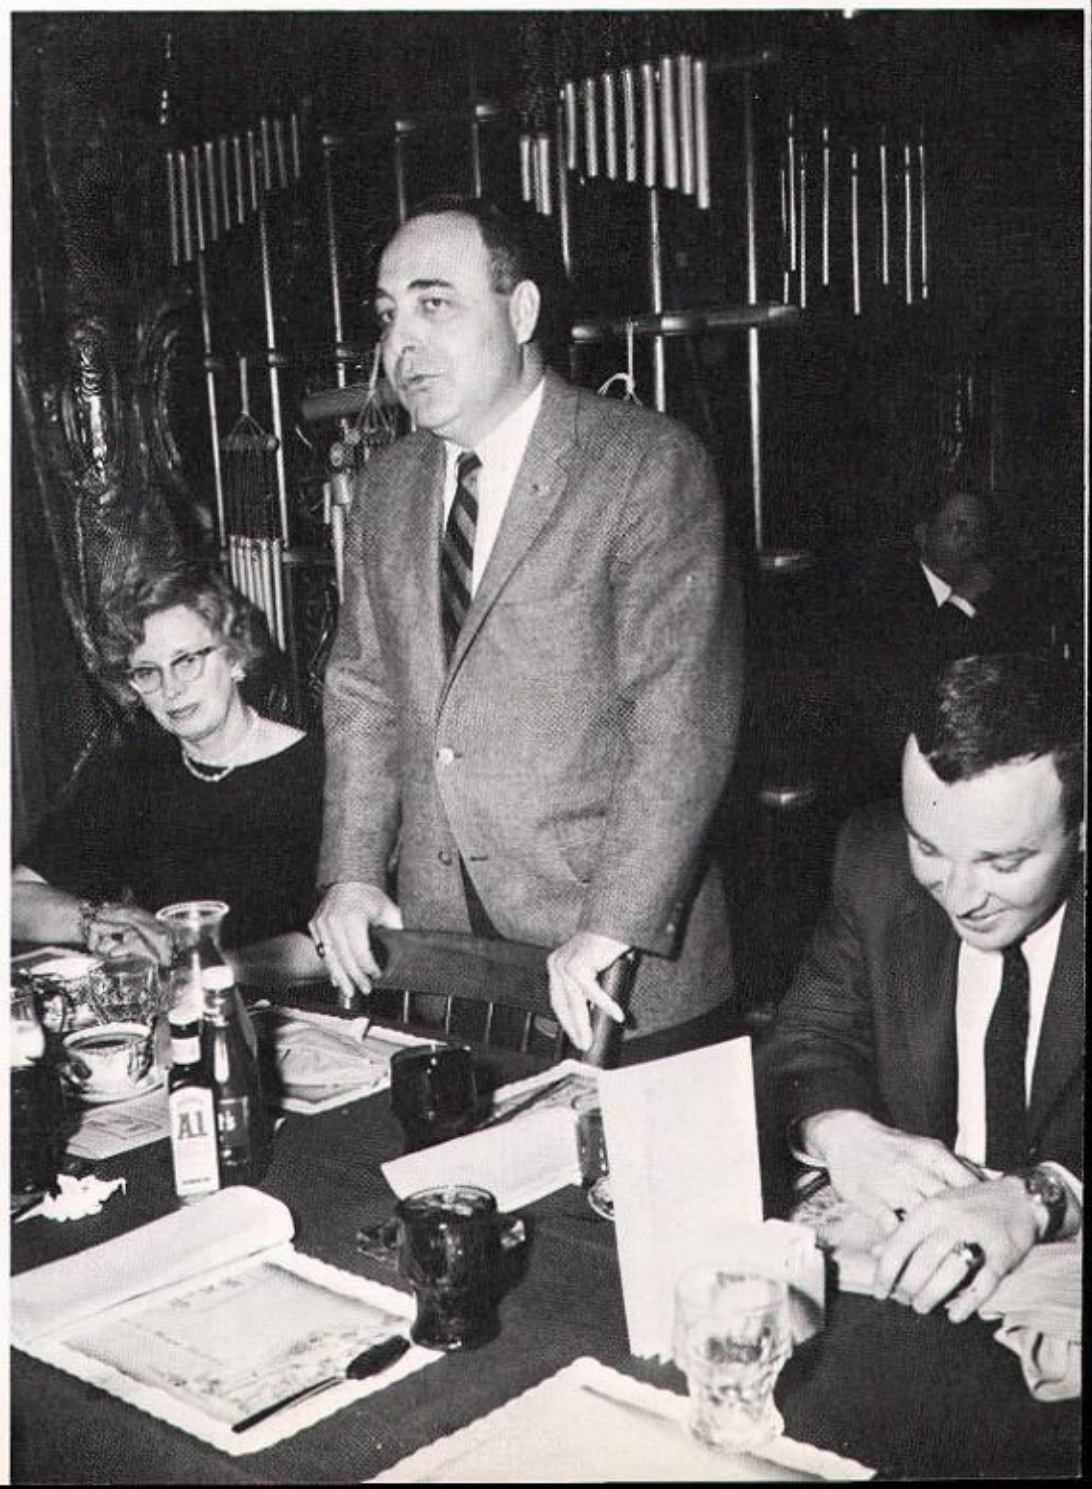
# Sentry

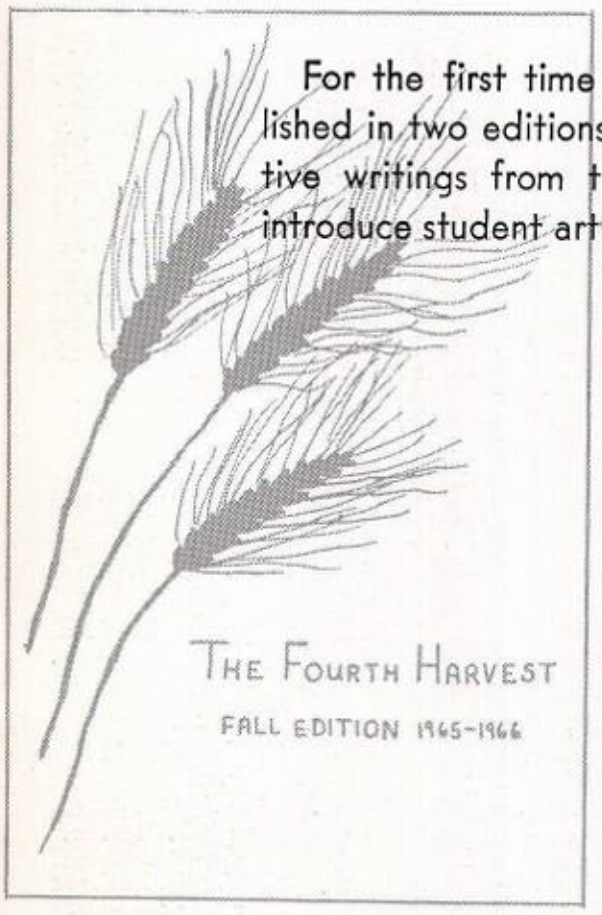
The **Sentry** underwent some major changes during the school Year 1965-66. For the first time at S.B.H.S. the Senior Class undertook an extensive advertising campaign. It was directed by Cindy Collingwood and it was highly successful. An attempt was also made to solicit "Patrons" for the **Sentry.** This venture also was a great success. Sales also increased due to the efforts of Susan Lattrell who also directed a socially, if not financially, successful Christmas Ball.

Another first was the Publications Banquet. Held in February at the Harbor Hidaway its purpose was to recognize achievement in the publications in the same manner as athletes have been recognized in the past. Mr. Sawyer Lee was the guest speaker at this highly successful event.

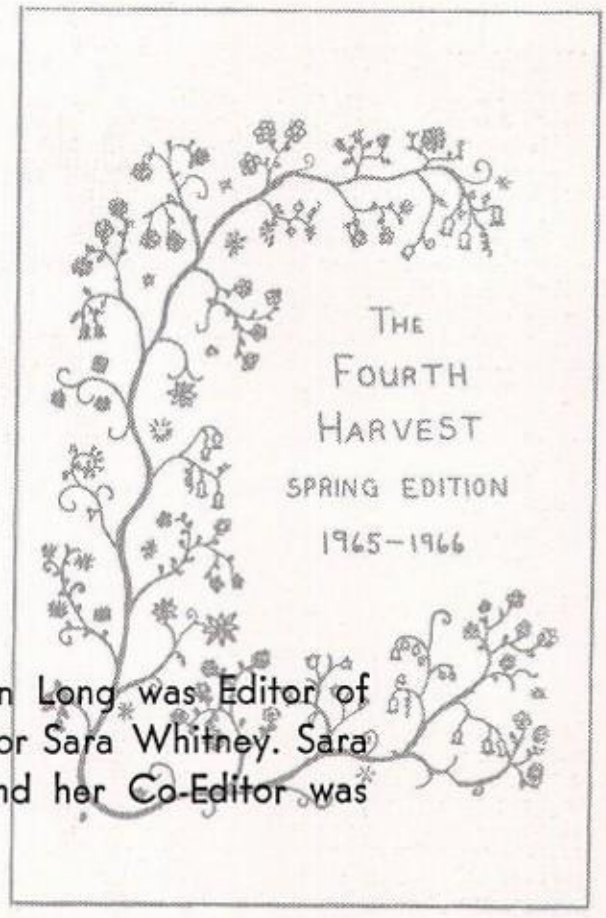
This year's staff hopes that the student body enjoys the '66 Sentry with its many new features which are in evidence throughout. We hope you will support next year's publication which will be edited by Karen Lee and Barbara McClure.



# Harvest



For the first time since its origin in 1962, the **Harvest** was published in two editions, a Spring and a Fall edition. Both contain creative writings from the student body, and an effort was made to introduce student artwork in the Spring edition.



Editorship changed with each edition: Alan Long was Editor of the Fall Edition and was aided by his Co-Editor Sara Whitney. Sara was elected Editor of the Spring Edition, and her Co-Editor was Palu Morrow.

# DISPATCH

VOLUME III SOUTH BURLINGTON HIGH SCHOOL -- JUNE, 1966 NO. 6

This year's Dispatch staff, under the guidance of Miss LaVertu, published seven issues. Sales were a tremendous success and were better than the year previous. The staff was headed by Jackie Snelling, as the editor, and Pam Ashley, as the assistant editor.

The success of this year's staff is attributed in part to the fact that student interest was stimulated because the news of the students was of prime importance. Student opinions were important and were included in each issue. The Dispatch this year proved that it is a paper of, by, and for the students!

# Le Cercle Français

C'est la première année du cercle français, et il a reussit avec vingt-cinq membres très actifs. Sous la direction excellente de la mademoiselle Duranleau et les fontionnaires-le président, Barb McClure; le vice président, Fritz Koerner; le secrétaire, Doug Varney; le trésorier, Sandy Audette-les membres du cercle ont gagné beaucoup.

Les réunions sont une fois par mois et aussi nous avons commencé une table francaise chaque mercredi pour les membres qui veulent manger leurs déjeuners et parler francais. Il y a eu presque toujours du pain francais et quelquefois du vin français. Pendant L'année nous avons ecouté dēs orateurs et nous avons chanté des chansons. Nous sommes allés à Essex Junction High School pour une grande réunion française pendant National Modern Foreign Language Week. Là nous avons pris partie des petites pièces de théâtres et des chansons. A la fin d'année nous avons eu un banquet et chaque membre a apporté des nourritures. Mademoiselle Duranleau a presenté des prix a quelque membres pour leur services et un prix spécial à Marilyn Paulsen pour ayant fait le plus pour le cercle français pendant l'année.

For the second year in a row South Burlington High School has had a Math Club. This year many new and interesting things were done. Dr. Izzo from UVM came to discuss the topic "How to Lie With Statistics". Several field trips were made, one to IBM and the other to the UVM Computer Center. Mr. Aiken gave a discussion on the slide rule and once the Null Set congregated to form their own computer. This year's officers were President, Barbara Lawrence, Vice-President, Bob Allen Secretary, Judy DeGraff.

# Science Club

During the second half of the year, a small group of interested students drew up plans and constitution for the Science Club. The purpose of the Club is to provide a means for those interested in science to further their knowledge in the field through advanced laboratory work, research, and field trips.

When the Club was accepted, Alan Long became the first President and Pam Ashley the first Secretary-Treasurer. Members took a field trip to UVM for a tour of the Botany Department and greenhouses.

The Justin Morrill Chapter of the Future Teachers of America, organized in 1963, is concerned with helping students to decide whether or not they should enter into the teaching profession.

This year the FTA of South Burlington High was the host club for the State FTA Convention held in the fall. At that time the club was pleased to have its own Margaret Peters elected to the office of State President, with Gary Mitchell as State Parliamentarian and Steven Crabtree as State Historian.

Through the year the FTA participated in student observing at the local elementary schools and at the high school, and in some cases, a student aid program was put into effect. The meetings were taken up with interesting speakers ranging from veteran teachers to those less experienced. Under the club's own direction, a play was also presented for other area FTA groups.

Mrs. Jean Stone serves as the chapter advisor and was this year aided by the following slate of officers: Carol Burke, President; Donna Cioffi, Vice-President; Margaret Peters, Secretary; Steven Crabtree, Treasurer; Carlene LaVilette, Parliamentarian; and Alma Lussier, Historian.

# Junior High Student Council

In its first year of operation the Junior High Student Council contributed a great deal to both the school and to the community of South Burlington. The Council collected funds both for charity and for Dollars for Scholars. Their "Mitten Tree" was appreciated by all at local children's homes. Other activities included numerous dances, the first locker inspection committee and a Junior High Tennis Team. Tom Koerner was this year's President and Mr. Sargent was the Advisor. Marty Babcock will head next year's Council.

*Museum Entrance*

Through the school, pupils obtain a basic understanding of the world in which they live.

Education in a museum first teaches us how others of the past lived, and from their experiences, we are better able today to understand our environment and our relation to it.

Schools and museums therefore, have much in common in education and in the portrayal of history. May each student receive the best education and a clear understanding of our history. Here at the Museum, much can be learned about the future from a serious study of the past.

We sincerely hope that every student will visit the Shelburne Museum, as all are most welcome to come at any time.

A publication such as the **Sentry** requires the combined efforts of many people. Those listed below have given freely of both their time and energy in order that this yearbook might be a success. I would like especially to thank:

Mr. Miles Heller, who has not only advised but has also worked with us every step of the way;

Mr. Sawyer Lee, whose experienced advice has been invaluable;

Mr. David Carr, for his excellent photographs as well as his kindness and patience;

Mr. Dana Cook of the **Burlington Free Press,** for his many excellent sports photographs;

Mrs. Michael Crane, who so kindly designed the cover of this book;

Cindy Collingwood, who did such an exceptional job on every phase of advertising;

Susan Lattrell, whose organizational efforts with respect to subscriptions and to the Christmas Ball were outstanding;
